

We strive to create a nursery that is a safe, nurturing place for our children to experience God's love. Listed below are a few suggestions for items to bring during your child's time in the nursery.

- A small diaper bag that is labeled with your child's first and last name
- A bottle or a sippy cup that is labeled with your child's first and last name
- Extra diapers or pull-ups
- Baby wipes
- Pacifier that is clip-on or labeled
- Change of clothes

Please do not bring medicine of any kind. Nursery staff members are not allowed to administer medications. Also, do not bring personal toys. The nursery has plenty of toys for the children, and it may be difficult to keep track of an individual child's toy. We look forward to having your child in our nursery as you participate in worship and Sunday school. Please feel free to contact Shanna Schulz at shannaschulz@numail.org if you have any questions, concerns, or suggestions for our nursery.
